JACK VOLTAIC

Conference Series

"CYBER RESILIENCY FOR CRITICAL INFRASTRUCTURE"

PREPARE | PREVENT | RESPOND | REPORT

Join us

FEBRUARY 24TH - 25TH, 2022

Where
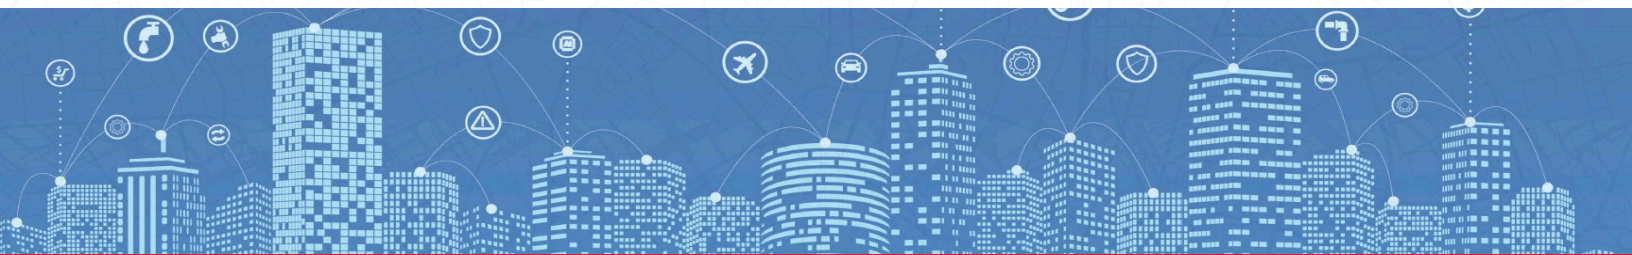

THE CITADEL

Holliday Alumni Center

69 Hagood Avenue, Charleston, SC 29403

The conference will bring together academic, industry, and government leaders to discuss issues pertaining to critical infrastructure resiliency against cyber threats.

During the course of the conference, several different topics will be explored including:

- JV Cyber Tabletop Exercise: Critical Infrastructure in the State of South Carolina
- Cyber Workforce Development
- Cyber Risk Assessment for Critical Infrastructure
- Cyber Education for Critical Infrastructure Protection
- Student Session with Case Scenarios
