Information Technology Summer Internship

Computer Science, Cyber Security and Management Information Systems Majors

Raymond James

The program is a 10- to 12-week comprehensive learning and professional opportunity for highly motivated individuals who have a passion for both technology and business. Interns gain first-hand experience, receive valuable on-the-job-training, and learn about the many technology professions available in the financial services industry.

Skills Required:

- 3.2 gpa, Freshman, Sophomores, Juniors, Seniors
- Organize and prioritize multiple tasks and meet deadlines.
- Communicate effectively, both orally and in writing.
- Work independently as well as collaboratively within a team environment.

Posting closes March 2, 2018
