HISTORICAL HERITAGE

For the last 107 years, the University of Memphis has been a catalyst for progress in the city, the state of Tennessee and the surrounding Mid-South region. As a doctoral degree-granting metropolitan research university, we are committed to excellence at all levels: undergraduate, graduate and professional. The University of Memphis' roots date back to 1912 when it began as West Tennessee State Normal School and its main purpose was to educate public school teachers. While our name has changed several times throughout the years, the University has continued to be guided by the principles of academic integrity, sound management and equal opportunity. In 1968, it saw its first doctoral graduate, and since its doors first opened has conferred more than 160,000 degrees. The main campus lies in the heart of a widespread metropolis and combines the convenience of a large city with the atmosphere of a residential neighborhood. Additionally, the University consists of several satellite campuses, including Collierville, Dyersburg, Millington and Jackson, Tenn. In 2011, the University of Memphis obtained the Lambuth University campus and now offers four-year degrees at what is now the University of Memphis Lambuth. The University of Memphis awards more than 4,000 degrees annually. Divisions of the study include the College of Arts & Sciences, Fogelman College of Business & Economics, the College of Communication and Fine Arts, the College of Education, Herff College of Engineering, Kemmons Wilson School of Hospitality and Resort Management, Loewenberg College of Nursing, University College, Graduate School, Cecil C. Humphreys School of Law, the School of Communication Sciences and Disorders, School of Public Health and School of Health Studies. The University offers 17 bachelor's degrees in more than 50 majors and 70 concentrations, master's degrees in more than 55 subjects, doctoral degrees in 23 disciplines, a specialist's degree in education, the Juris Doctor and many online degree programs. Reflecting on its commitment to the highest levels of excellence in teaching and national prominence in research, the University of Memphis has five Centers of Excellence and 26 Chairs of Excellence. Its full-time faculty number more than 940. Our wireless campus educates more than 20,000 students each year. Our faculty have won national awards ranging from Emmys and Grammys to the prestigious Peabody Award. In later years, the campus has seen recent changes and additions including the opening of a newly designed University Center, opening of the FedEx Institute of Technology, the Kemmons Wilson School of Hospitality and Resort Management, the John Wilder Student Services Tower and the Michael D. Rose Theatre Lecture Hall. The Cecil C. Humphreys School of Law is housed in the historic U.S. Customs House and Post Office in downtown Memphis. While instruction, service and research are our primary emphases, the University also commits its resources to the social, cultural and economic welfare of the region through partnerships with many public and private organizations. As we continue to move forward, the University of Memphis is poised to enhance its national and international reputation as one of America's great metropolitan research universities.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the voice of students at the University of Memphis. The SGA is comprised of three branches of government: executive, judicial (Student Court) and legislative (Senate). Elections are held in April. The SGA funds travel for individual students and organizations, including trips to conferences relating to the student's field of academic interest and leadership conferences. It sponsors Frosh Camp to help incoming first-time freshmen establish friendships, learn about what is offered on campus, begin the adjustment to college life, and have a successful first year. The SGA also sponsors the Mr. and Ms. U of M contest during football Homecoming each fall. Student senators present resolutions as bills to the Student Senate for benefit of the general student body.

ACADEMIC DRESS

The following information is to help our visitors identify the costumes seen in the commencement procession: Academic dress evolved from religious habit worn by faculty in the ancient universities who were members of religious orders. For centuries these gowns distinguished students from their fellow citizens; sometimes this distinction in dress symbolized unfortunate controversies between “town and gown.” The European habit of using academic robes came to this country in the eighteenth century with the founding of what is now Columbia University. In 1895, American universities and colleges standardized their styles of academic costumes, and this system, with occasional modifications, is still in force. Today, the various colors, trimmings, and patterns of gown, hood, and cap are all traditional and symbolize both the degree and field of learning. GOWNS: American academic gowns are usually of black material, and their pattern varies with the degree held. The bachelor gowns are relatively simple in design with a closed front and long, pointed, open sleeves. Master’s gowns have an open front with long, closed sleeves, the arms extending through a slit at the elbow, giving the appearance of short sleeves. Doctoral gowns are the most elaborate with velvet panels down the open front and three velvet bars on the bell-shaped sleeves. HOODS: The hoods, differing in length for the three degrees (bachelor’s, master’s, and doctor’s), are lined with the colors of the institution that granted the degree. Hoods are also trimmed with the color that heralds the major field of learning. CAPS: A square mortarboard is the approved headgear. The tassel, fastened to the middle point of the top of the cap, is black or the color appropriate to the subject; it may be gold if the holder has a doctor’s degree. The University of Memphis has adopted the practice of having candidates for the bachelor degree wear the tassels on the right front side before degrees are conferred and shift them to the left at the moment when the degrees are awarded to them. Following is a list of the hood and tassel colors that represent several categories of learning:

Arts, Letters, Humanities	White	Health Studies	Sage
Architecture	Violet	Journalism	Crimson
Audiology	Forest Green	Law	Purple
Speech Pathology	Royal Blue	Music	Pink
City & Regional Planning	Scarlet Red	Nursing	Apricot
Accountancy, Business	Sapphire Blue	Philosophy	White
Communication Arts	Silver Gray	Physical Education	Light Blue
Economics	Copper	Public Administration	Peacock Blue
Education	Light Blue	Public Health	Salmon
Engineering	Orange	Science	Golden Yellow
Fine Arts	Brown	Social Work	Citron
Health Administration	Green	Sports Commerce	Nile Green

All hoods are edged with the above colors. These same colors may be used for the facing and sleeve bars of doctoral gowns and tassels on bachelors’ and masters’ caps. The lining of the hood indicates the university granting the degree—for The University of Memphis, blue and gray. Among other institutional colors represented at this commencement are those for Arkansas, red and white; Chicago, maroon; Columbia, light blue and white chevron; Duke, royal blue with white chevron; Emory, navy blue with gold chevron; Harvard, crimson; Illinois, navy blue with two orange chevrons; University of Iowa, old gold; Kansas, navy blue with cardinal chevron; Northwestern, purple with gold chevrons; Ohio State, scarlet with silver gray chevron; Rice, silver above blue; Texas, white above orange; Vanderbilt, black and gold; Virginia Tech, orange and maroon; Wisconsin, bright red; Yale, royal blue.

UNDERGRADUATE CANDIDATES FOR DEGREES GRADUATION WITH DISTINCTION

Based on a grading system of “A” as 4.0, three designations of graduation honors are recognized.*

Summa cum laude, *with Highest Distinction*, **3.80 - 4.00**: *gold cord*

Magna cum laude, *with High Distinction*, **3.50 - 3.79**: *crimson cord*

Cum laude, *with Distinction*, **3.25 - 3.49**: *white cord*

GRADUATION WITH HONORS

Students may earn Honors distinction by meeting requirements of the campus-wide University Honors Program and/or fulfilling requirements for departmental honors programs. These requirements involve a combination of special honors coursework, independent study, and usually an honors thesis or project. Students who successfully complete University Honors Program requirements are awarded their degrees with honors (e.g., University Honors or University Honors with Thesis). Students completing departmental honors programs are awarded their degree with honors in their area of concentration (e.g., With Honors in English).

***Note:** The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree.

Because of time limitations imposed in preparing this program for commencement, listing for graduation with distinction was based on a minimum of forty-two (42) semester hours at the University of Memphis and the grade point average as of the term prior to the final semester.

IN CELEBRATION OF OUR SPRING CLASS OF 2019 TRUE BLUE DONORS

The University of Memphis is a community that is **Driven by Doing**. The Senior Class Gift program is an innovative opportunity for graduates to **DO** something meaningful by creating impact all around campus. We would like to recognize our Spring Class of 2019 students who have contributed to the Senior Class Gift program or other important campus initiatives as **True Blue Donors**.

The Senior Class Gift Campaign, created by philanthropists George and Betty Johnson, has enjoyed exceptional growth since its launch four years ago. The Memphis Scholarship has grown from \$12,000 to \$20,000 currently. Likewise, the Lambuth Book Scholarship has grown from \$500 to \$3,000. The donations are directly affecting current students as noted by Mary Barr, “With the help from this scholarship, I will be able to reach my personal educational goals in my college career.” The Senior Class Gift Campaign was established to build on the culture of student philanthropy and our seniors have not disappointed. The total number of student donors has grown from 261 to 605 and we couldn’t be more proud!

True Blue Donors who donated to the Senior Class Gift program in honor of their graduation year are distinguished by wearing silver and blue Senior Class Gift stoles. Thank you for donating to the University and congratulations on graduating!

Your connection to this campus does not end when you graduate.

When you join the UofM Alumni Association, you're not just giving back to a school- you're giving back to a community and a growing, vibrant network of fellow Tigers. Your dues mean more than a membership. They help support student scholarships, alumni programs and events, while also increasing national rankings of the University of Memphis.

The University of Memphis community is proud and diverse. We stretch across the state and around the globe. As you leave campus to share your talents with the world, the UofM Alumni Association is right beside you, keeping you connected to more than 130,000 fellow Tigers. Our mission is to engage alumni, former students and friends in three challenges: advocating the ideals of the University, advancing its welfare and fostering life-long relationships with the institution. The Alumni Association supports academics at the University of Memphis with more than 55 student scholarships and 11 faculty and staff awards for Excellence in Teaching, Research and Advising. The annual Distinguished Alumni Awards are hosted by the Alumni Association to recognize and highlight a select number of notable alumni.

The University of Memphis honors those who graduated 50 years ago with the Half Century Club Induction. This induction occurs yearly at the beginning of the Summer Commencement ceremony. Each member receives a medallion symbolizing the significant milestone.

Current graduating UofM students who are members of the Alumni Association through the Future Alumni of Memphis (FAM) or Young Alumni programs are distinguished by wearing a Tiger Blue stole during Commencement.

The Alumni Association is pleased to provide a complimentary Gray Membership to our new graduates. Get involved by mentoring a current student, supporting a scholarship or joining an alumni club or chapter based on academics or a specific interest. Moving after graduation? Join a club in your area. Socialize with other Tigers at the annual Homecoming Parade or at a watch party. Network at one of the hundreds of events and meetings throughout the year. But most importantly, help make Memphis stronger and continue your membership in the Alumni Association!

SCHOOL OF PUBLIC HEALTH

Dean, James Gurney, PhD

The School of Public Health provides graduate education, community practicum experience, and research training to develop students' capabilities and address the growing need for a proficient public health workforce. The School offers two master's degrees. The Master of Public Health provides concentrations in five core disciplines: biostatistics, environmental health, epidemiology, health systems management, and social and behavioral sciences. The Master of Health Administration degree is one of only 70 programs accredited by the Commission on Accreditation of Healthcare Management Education (CAHME). Our mission involves the translation of knowledge and research into community practice to tackle pressing societal problems of social and environmental justice, health disparities, unhealthy lifestyles, and accessible systems that support the health of individuals, families, and communities. We emphasize both discovery and application with the goal of moving "knowledge into action" locally, nationally and globally. We are proud of the following graduates:

The University College provides interdisciplinary educational opportunities in a flexible, relevant format for a diverse community of traditional and non-traditional adult learners. Established in 1975, the college is an innovator of new programs, a catalyst for interdisciplinary and multidisciplinary efforts throughout the campus, and a facilitator for the community to interact with the University. In addition to high-quality classroom instruction, most programs are field based. Practical experiences and opportunities for participation in exciting hands-on training and research exist at our award winning Campus School, the Barbara K. Lipman Early Childhood School and Research Institute, our local Professional Development Schools, the nationally known Center for Research in Educational Policy, and internship programs in various community businesses and agencies, all where experts in the student's field of study and University faculty work together to provide valuable on-the-job experience. The College offers off-campus courses at our Collierville, Jackson, and Dyersburg campuses and is a state leader in alternative online degree and licensure programs. Undergraduate programs administered by the College lead to the Bachelor of Science in Education and consist of three basic areas of work: General Education, Professional study, and study within one of 12 areas of Specialty. It is the work within a specialty that determines a student's major. Graduate level studies at the College include 29 Master's and 17 Doctoral degree programs. And, in administering 33 teacher licensure programs, The College of Education is the largest producer of teachers in Tennessee.

COMMENCEMENT ENSEMBLE

NATIONAL ANTHEM

Oh, say can you see by the dawn's early light
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars; through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
Oh, say does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

ALMA MATER

Stand Firm, O Alma Mater,
Through all the years to come;
In days of youth and beauty
Thy halls have been our home.
In time of preparation
Great lessons didst thou teach
Till now, O Alma Mater,
The stars we'll strive to reach.

SPECIAL APPRECIATION
