

THE UofM ON-CAMPUS AUTISM CLINIC IS NOW ACCEPTING NEW CLIENTS

The University of Memphis Autism Treatment, Training and Research Clinic provides one-to-one Applied Behavioral Analysis (ABA) sessions for children ages 3-8 diagnosed with autism.

OLDER KIDS WILL BE ACCEPTED ON CASE-BY-CASE BASIS.

Clients will receive one-to-one ABA sessions.

To enroll, clients need to have an autism diagnosis in place.

Insurance covering ABA services.

If you have any questions or would like to enroll your child, please email UofMAutismClinic@memphis.edu or visit memphis.edu/autismclinic.

Sessions can be scheduled **Monday-Friday, 8:30 AM-4:30PM**, at the UofM Autism Clinic at the Community Health Building.

**4055 North Park Loop, Suite 1503 A
Memphis, TN 38152**
