

## RAISE – Directions for Students

You will set up your account at <https://learn.reslife.net/>. Use your school email address to set up your account. In order for your completion to count, you MUST select your correct school when you create your account. In the University box, start typing your school's name. Select YOUR school from the list of names that appear. Do not enter your own school.

**Important: Although RAISE is mobile-friendly, it is STRONGLY suggested that you use a desktop to set up your account.** Print or save the first page of these directions and keep it until you have completed the modules. You will receive a certificate of completion for RAISE once you successfully complete. It is your responsibility to provide the certificate to the appropriate campus representative. Please check the instructions provided by the person who referred you to RAISE and ensure that you know where to send your certificate.

1. To access RAISE, go to: <https://learn.reslife.net>  
There are multiple products. Make sure you register for RAISE (not the student pay version).

9. Click Complete Registration. A confirmation email will be sent to your email.
10. Once you register, all courses will be in your **Dashboard**, which can be accessed by selecting the Dashboard tab from the dark blue ribbon at the top of the page.

The screenshot displays the RAISE dashboard interface. At the top, a dark blue navigation bar contains links for HOME, CATALOG, FAQs, DASHBOARD, PROFILE, and CART (0 ITEMS). On the left sidebar, there is a 'Welcome!' section for Lynda Wiley with a 'Log Out' button, a 'Categories' section listing 'JE - Judicial Educator' and 'Raise', and a 'Request a Demo - For Campus Administrators' button. The main content area features the title 'RAISE - Raising Academic Integrity Standards in Education' and a green notification 'You are registered!'. Below this, a progress bar indicates 'Registered: 02/09/2024' and '0% 0/14 components'. A tabbed interface shows 'Overview', 'Discussion', and 'Contents (14)'. The 'Contents' tab is active, displaying a 'Key' section with icons for Complete, Next, Failed, Available, and Locked. The main content area shows a 'Completion of RAISE' section with a 'Read Terms' button and a list of sections (Section One to Section Six).

11. You must agree to the terms of RAISE. You will then begin with Section One. In each section, there is a video with the content. You must watch the entire video before the quiz will be available. Section One has a required pre-assessment following the video. Sections Two-Six each have a quiz following the video. You will only have three attempts for each quiz, so it is suggested that you take notes.
12. Upon successful completion of RAISE, a certificate of completion will pop up. **SAVE THIS CERTIFICATE** and send it to the representative on your campus included in your instructions, which is likely the person who assigned RAISE. This certificate will also be available in your account dashboard if you need to access it later. In your Dashboard, select Transcript/Achievements and select View/Print Certificate.
