

Saturday April 9th 2016

Department of Physics and Materials Science

Open House

University of Memphis

8:30-9:20am	Registration, Manning Hall foyer
9:20-9:30am	Welcome note, Dr. J. Cui, Manning Hall auditorium
9:30-10:30am	Lecture, Dr J. Farr, Manning Hall auditorium
10:30-11:00am	Refreshments, Q&A, mingle, Manning Hall foyer
10:30-11:00am	Astronomy and Astrophysics workshop, Joanne Rhodes, Physics I lab
11:00-11:55am	Workshops I, II, III, Manning Hall foyer

Visitors can choose and attend multiple workshops. Each workshop will last ~15 min. Each workshop leader will run 3 sessions during allocated period of time.

- 1) Semiconductor Materials: Dr. Cui and Dr. Mishra - MN 222
- 2) Biomaterials & Bio-related research: Dr. Jahan and Dr. Pradhan - MN 202
- 3) Theoretical / Computational research: Dr. Laradji and Dr. Shen - MN 204

12:00-12:40pm	The Magic of Physics, Dr. Marchini, Manning Hall auditorium
---------------	--

12:40 -1pm	Tour of the labs, Q&A, etc
------------	----------------------------

*Refreshments available all day

*Boys and girls welcome

*Parents and teachers welcome
