

Physics and Materials Science Day

Saturday April 9, 2016
9:30 am - 1:00 pm / Manning Hall

Registration starts at 8:30 am
Student Groups Welcome!

Register in Advance Online at
www.memphis.edu/physics

Open to the Public.
Free Admission - All Ages.
Door Prizes.
Snacks and Refreshments.

**Have you ever wondered
what you could do with a
Degree in Physics & Materials Science?**

**Are you debating whether
or not you should pursue a
Degree in Physics & Materials Science?**

**Do you know a friend or
family member interested in a
Degree in Physics & Materials Science?**

THE UNIVERSITY OF
MEMPHIS

Department of Physics
and Materials Science

SPECIAL FORUM

Medical Physics and Proton Therapy

*What You Need To Know
About Physics & Medicine*

Guest Speaker

Dr. Jonathan B. Farr

Chief of Radiation Physics

St. Jude Childrens' Hospital

Come join us for a unique and exciting opportunity to come face to face with successful female and male physicists to hear their stories and find out why they chose physics as a career path. Take a tour of the research and teaching labs, and mingle with our faculty, students, and staff. Participate in demonstrations put together by our students and finally a presentation titled *"The Magic of Physics"* by award winning Physicist Dr. Robert Marchini.
