Ordering on fishersci.com

Online ordering through the Fisher Web Site is easy and quick. The navigation above will help you navigate through the following order functions:

- **Place Rapid Order:**
Purchase items by typing catalog number, quantity, and unit of measure.
- **View Shopping Cart:**
View the contents of your current order.
- **My Hotlists:**
Add your most frequently requested items to your customized hotlists.
- **My Templates:**
Add previously saved orders to your shopping cart.
- **Review Requisitions:**
Review requisitions you've submitted through our web site, plus those waiting for your approval.
- **View My Orders:**
Check the status of all orders on your account, regardless of order entry source.
- **My Quotes:**
When you request a quote, it's available online for review as soon as it has been prepared saving you time and effort.

My Quotes option is now visible during punchout

- User initiates punchout session through their purchasing application as they do today
- The “My Quotes” option is made available to those companies who request this feature and have completed testing with Thermo Fisher.
- Clicking “My Quotes” option on masthead or navigation page will display My Quotes page

Punchout Session – My Quotes Page

The screenshot shows the Fisher Scientific website interface. At the top, the Fisher Scientific logo is on the left, and the user is logged in as 'Punchout User p02pl-quotes'. On the right, there are links for 'Place Rapid Order', 'My Hotlists', 'My Templates', 'My Quotes', 'View Shopping Cart', 'View Order Status', and 'Review Requisitions'. Below the header, there are navigation tabs for 'SCIENTIFIC', 'SAFETY', 'HEALTHCARE', and 'SCIENCE EDUCATION'. A secondary navigation bar includes 'Home', 'Browse by: Product - Supplier - Application', 'Help', and 'MSDS'. The main content area is titled 'My Quotes' and includes a 'Price Quotes for your account.' button and a 'quoted price tips' link. On the left, there is an 'Advanced Product Search' section with input fields for 'Keywords', 'Fisher Catalog Number', 'Manufacturer/Supplier Name', and 'Manufacturer/Supplier Part Number', along with a 'Scientific Products' dropdown menu. The main search results area shows a 'Quotes search:' section with a 'Go' button. Below this is a table of quotes.
